SUPPLEMENTARY INFORMATION:

The GPRA Modernization Act holds federal agencies accountable for using resources wisely and achieving program results. Specifically, the GPRA Modernization Act requires agencies to develop: Strategic Plans, which include a mission statement, set out long-term goals, objectives, and strategic measures, and describe strategies to achieve them over a four-year time horizon; Annual Performance Plans, which provide annual performance measures and activities toward the long-term Strategic Plan; and Annual Performance Reports, which evaluate an agency's success in achieving the annual performance measures.

The Draft FY 2014-2018 GSA Strategic Plan defines GSA's mission, strategic goals, strategic and management

objectives, strategies, and priority goals. The Strategic Plan links objectives to GSA programs and presents the key performance indicators by which GSA will hold itself accountable.
